

Healthy Villages Project.

Working in partnership to bring people in rural Argyll together, to share knowledge, learn new things, and help reduce loneliness. Have some fun with people you know, and people you don't know.

Tea, coffee & cakes.

Join us on Thursday 16th March, from 10.30am, for tea & cakes, and a chat.

Bring along old photos to share (pictures of Kilmelford would be great), and we'll have a reminiscence quiz.
